The bridge from customer to partner

Anyone who bought a NUI trial package as a customer and becomes a partner within 60 days gets CHF 100 credited – the starter package then costs CHF 199.00.

One starter package per new partner.

The starter package earns commission like any purchase – but no challenge points.

Optional – you can become a partner without a package.

All prices in CHF. Subject to change, errors excepted. Discount tiers are based on the net value of goods after the partner discount.
